DATE OF APPLICATION:

This application should be emailed to Trevor Tinley EAMBA Secretary at eamba@eastangliamark.org.uk

Notes for guidance of the applicant lodge:

- Under the funding arrangements, the EAMBA aims to support suitable charitable organisations operating within the Mark Province of East Anglia. The Trustees preference is for one-off items for small local charities and they will not generally support applications for revenue funding.
- Funding is to the discretion of the Trustees, but generally only one application can be made per year, per lodge.
- The form should be used for registered charitable organisations only, but consideration may be given to others under exceptional circumstances.
- If the applicant lodge has already provided support to the nominated charity, either financial or otherwise, details of this support should be submitted with the funding application.
- Applications must be made by e mail to eamba@eastangliamark.org.uk
Applicant lodges will receive an acknowledgement, together with any request for further information within 14 days of receipt. If this is not forthcoming within 21 days of the application, please email the EAMBA Secretary at eamba@eastangliamark.org.uk
- The Trustees are mindful of the recipient organisation, and in normal circumstances will not support an application where there are employees.
- The Provincial Grand Master (or his representative), will if possible, present the EAMBA donation to the nominated charity, with a representative of the nominating lodge present. Arrangements should be made in conjunction with the EAMBA Secretary and suitable publicity should form part of this process.
