Dear Nigel

Thank you so much for your recent wonderful donation of £300.00 to Jimmy's which was awarded to us by the Trustees of the EAMBA. Your kindness will make such a difference to the many men and women we work with at Jimmy's each year.

As the nights are drawing in we are reminded of how important our service is. So far this year we have worked with over 200 individuals, supporting around three-quarters of them into more stable, longer-term accommodation, such as to other supported housing, private rent or house shares. Encouragingly, we have been able to provide a life skills education session for our guests which over half attended. Through our own staff and volunteer team we cover a range of topics including finance, health, work and community contribution. We have also had invaluable assistance from outside agencies including those from Red Cross, CAB, the local credit union and the 'back to work' co-ordinator to help offer an extended programme. We are now re-visiting our programme to see if we can yet still improve it to meet our growing guest needs and look to offer the improved service in the New Year.

Thank you so much once again for helping to make a difference to the lives of so many vulnerable men and women.

With all good wishes.

Jane Heeney
